

2000's

2000s – Funded research in bone tumors, leukemia, and neuroblastoma.

2003 – Funded the Visiting Professor Endowment Fund at Children's for hematology/oncology and hosted the first WOKC Golf Classic.

2004 – Committed to 5-year funding of Spanish translator for Children's Center for Cancer and Blood Disorders. Texas Ranger Michael Young and wife Cristina supported WOKC programs for children with cancer.

2007 – Constructed the D Tower playroom on the oncology floor for the Center for Cancer and Blood Disorders at Children's Health.

2008 – Launched the Buddy Bag Program, a rolling suitcase filled with comfort and hygiene items delivered to children on their first day of admission to the hospital for cancer diagnosis. The Buddy Bag Program is a WOKC signature program.
